

SOFT UK provides support for families affected by Trisomy 13 (*Patau's Syndrome*) and Trisomy 18 (*Edwards' Syndrome*) during pregnancy, when caring for a child, through bereavement and beyond.

Volunteering with **SOFT UK**

SOFT UK volunteers
give a little spare
time each month to
support our work

***Support volunteers
undertake special
training to support
families affected by
Trisomy***

Volunteers help
out with our
administration,
website, social media
or newsletter

**Whatever your
interests or skills, we
will have a volunteering
opportunity for you!**

Volunteering with SOFT UK

Volunteers are the lifeblood of SOFT UK, we simply couldn't exist without them. Volunteering with us is home based and flexible around your other commitments. You don't need to have a special skill or interest, but if you do, we will make sure to use them!

We require volunteering assistance in all aspects of the organisation. Usually when you make an enquiry we will discuss with you your interests, skills and time and tailor a role to suit you. Some ideas our current volunteers are assisting with are:

- Providing direct support to families
- Social Media
- Fundraising
- Writing content for our newsletter or website

How Does Volunteering Work?

SOFT UK is a virtual organisation, so most of our volunteering happens from home. We communicate with each other via telephone and email.

Applicants complete a Registration Form and will discuss with a member of staff what they would like to do and how this will happen.

Applicants for Support Volunteer roles will undertake a recruitment process and specialist training before commencing their role.

All volunteers will have ongoing support and mentoring and have access to further training if required.
